### ABLE PARK ADVENTUERER STAFF

1.) Please provide an hourly agenda of a day at “Able Park Adventurers Camp.” Please include specific games/activities and how you would go about organizing groups, games and projects.

2.) A parent arrives upset because their child told them another camper was being mean and staff “didn’t do anything.” You were with the group when it happened. How would you handle the parent’s concern professionally and honestly?

### SPORT OFFICIALS

1.) During a close game, a coach becomes visibly frustrated after you make a tough call at home plate. The coach approaches you in an agitated manner, insisting you made the wrong call and demanding you reverse it. Spectators begin reacting as well. How would you handle this situation while maintaining control of the game and ensuring a positive recreational atmosphere?

2.) A parent starts shouting negative comments about a young player on the opposing team. The coach looks unsure how to handle it. What would you do as the umpire to address the behavior and maintain a positive rec environment?

## FACILITY & FIELD SUPERVISORS

- 1.) During a youth game, a parent begins loudly criticizing the officials and making comments that make players uncomfortable. The coach doesn't intervene. As the on-site supervisor, how would you address the parent's behavior while keeping the situation calm and safe?
  
- 2.) A group of younger players hanging out between games begins throwing balls around near spectators, creating a safety concern. They aren't trying to cause problems, but they aren't listening to their coach. What steps would you take to redirect them and promote a safe environment?
